

OUR STORY

Hello, we're Rick and B. Ann Lattin, proud owners of Lattin Farms. We've had the privilege to grow crops for our neighbors and community since 1977. Our family has been farming the Lahontan Valley for five generations.

Through the decades we've raised five children and 13 grandchildren, while growing our farm from alfalfa and small grains to a local destination hot spot complete with produce, the first corn maze in the West, and shelves with homemade jams, breads, and canned goods. Our jam is made from fresh fruits, most grown right here on the farm.

We hope you enjoy our products!

THE JAMS

Our jams are made fresh here on Lattin Farms, and we make them using fruit we grow right here on the farm. They come in both 4 and 8 ounce jars.

Our selections can vary depending on the yield of the fruit we grow, the availability of fruit we acquire, and the popularity of the specific jams.

You can order the jams online at www.lattinfarms.com or by calling us at (775) 867-3750.
